

Parking for Thursday:

SHS will also be hosting the Regional Basketball Tournament at the same time as All-County Band.

We have been asked to park in the alternative lots (blue) as parking will be in high demand over by the gym.

All band students and directors need to enter through the door located at the front of the school that comes in the band hallway. (orange circle)

Do not enter in the normal band/gym entrance or the main front school entrance (red X's)

Yes, this is a longer walk, but it will avoid interfering with the basketball entrances and tickets.

Once in that door, the auditorium (9-12) will be immediately on the left, band room (7-8) is on the 1st right, and choir room (directors) is the next right.

We will do our best to have signs posted and people helping point the way.

Thank you for your understanding and cooperation!
