Percussion Students and Parents,

At Blackman High School we take pride in our percussion instruction. Students will have the chance to perform and learn on a variety of instruments including snare drum, bass drum, xylophone, marimba, vibraphone, accessories, and many other instruments. For this reason, students will need a variety of mallets, sticks, and other accessories. The band does not own enough mallets and sticks to provide every student. Below you will find a list of items that we recommend each student to own.

Items students will use on a daily basis:

Real Feel 12' Practice Pad

Extended Height Snare Stand

IP-240 Medium Marimba Mallets

IP-LD Concert Sticks

IP-RS-251 Vibe Mallets

Stick Bag

Optional items that a student may wish to have:

CT-3 Timpani Mallets

IP-903 Soft Bell Mallets

IP-300 Medium Hard Mallets

The following vendors should have the listed equipment in stock or be able to order it for you.
