

Blackman High School Band

BHS v. Mt. Juliet @ Mount Juliet High School - Friday, November 9, 2018

Large instruments (sousaphones, baritones, percussion) will be loaded on the trailer after each class. Medium sized instruments (saxophones, trumpets, horns, trombones) will be loaded onto the CARTS after class. Small instruments (flute, clarinets) will ride on the bus with the students. Students are responsible for loading their personal instruments onto trailer or carts. Band uniforms will be loaded onto the trailer. Color Guard uniforms will be worn on the bus. Students need to wear their black band shoes and socks and something their uniform can be worn over. We will change into uniforms outside; NOT in restrooms. *PLAN AHEAD!*

In case of inclement weather, the decision may be made to wear jeans, tennis shoes, and coats. This decision may be made late in the day on Friday – so please be prepared if there is a chance of rain.

You may bring a sack supper to eat on the bus. All drinks must have a lid. You may also bring snacks to eat after the game. It is the student's responsibility to clean up after themselves.

The football and band boosters are providing a sandwich (from McDonalds or Sonic), bag of chips, cookie, and drink at 4:15pm for those students who are staying after school. If you do not wish to participate in this meal, students may go home or supply food of their choice.

Itinerary

3:30pm Students may go home OR stay at school.

4:15pm Students may eat the meal provided in the cafeteria: sandwich, chips, cookie, drink.

4:45pm Call time. Take attendance. Load buses.
